

FLYER COURSE

The Flyer course of English Ladder is a customized programme offered to students who desire to start speaking English without fear or inhibitions. This course enables language learning simple inspite of age, gender and proficiency in language. This course is tailored according to the needs of the students, and they get an individual trainer at the time of their choice. This course aims to build the student's speaking ability and confidence.

Skills you get

This course offered by English Ladder enhances your speaking and helps you understand the language in its proper way through vocabulary, grammar, and pronunciation.

Course Program

Course Duration: 25 days

The Flyer Course is a 25-day program where a student gets 20 minutes of individual training. The classes will be through audio calling and the trainer will give you speaking topics. The trainer will help you find your mistakes and give you instructions. In this program, the trainer will focus more on the needs of the student and guide them throughout the journey with interesting games and tasks.

This course gives you an overall development in your language and will improve your speaking and listening skills. It enhances your love for the language and helps you understand your mistakes and rectify them so that you won't make that mistake again.
