

## Mentoring program

The Mentoring Program offered by English Ladder is designed to help a student who needs individual attention and training at a convenient time. This course focuses more on the requirements of the student, and a trainer will be supporting and correcting him with proper guidance and tips. This course aims to build the language by focusing more on grammar, pronunciation and vocabulary. A lifelong support system is also provided in this course.

### Skills you get

The student will find an overall development in their language and will be confident enough to speak without fear. This program focuses on the way the student wants it and helps to improve their language through speaking activities. The program helps you learn new words to understand and express yourself clearly.

Course Duration:25 days/50 days

A student can choose a 25-day course or a 50-day course according to their needs and will get 25 minutes of video class through Google Meet. The trainer helps the student understand the structures and with a unique method of training, enhances their skills and helps them become good communicators.

The student will learn something new every day, which will help them in their day-to-day communication. There will be weekly tests and assessments that help them understand their changes and improve their skills. This course motivates and improves communication through speaking.

Effective speaking skill can help in different ways, such as career advancement, interviews, daily life situations and much more. This course ensures that your communication and word power will increase throughout and will give the student an overall language development
