

Mover Level Course

The mover level course Offered by English Ladder is a fifty days WhatsApp based learning programme where pre-recorded contents including Videos, audios and text will be delivered to the students in WhatsApp. The course is intended to support the students who already have a basic knowledge about the language. The students will get the opportunity to practice their reading, writing, listening and speaking skills through the programme. The speaking skills of the students are enhanced by On call speaking practices.

Skills you will get

Attending the mover programme will equip the students with precise knowledge of grammar, vocabulary, pronunciation, etc. by doing daily tasks and calling activities.

Course program:

Duration of the course: 50 days

Mover course is a 50 days long course wherein the students can learn the language with the help of the contents delivered through WhatsApp at a time convenient to them. The students can send their daily tasks to trainers allotted to them who will be available from 9am -5pm.

1-5 days

The first five days the course is so designed to familiarise the students with the basic tenses ie. Present, Past and Future tense. The speaking sessions will also begin during these days and continues till the end of the sessions. Every fifth day will be a day to practice the student's listening and reading skills.

6-10

Next five days of the course continues to help the students on their tenses along with the usage of Can, could, may, might, etc. in detail. The students will also be practicing daily use structures ie. Situational language on a daily basis.

11-15

Once the student is thorough with the tenses, the students will be introduced to the meaning and usage of nouns, verbs, Wh- questions etc.

16-20

The next five days of the programme focuses on the usage of Articles ,Pronouns, Adjectives, etc. along with the situational language.

21-25

The course then introduces Adverbs, Conjunctions, Prepositions and interjections in detail for the clear understanding of the students.

26-30

Here, the students are provided a much detailed knowledge about Articles, they will also learn to build words in English and to speak confidently by correcting common errors while speaking.

31-35

Next five days of the programme intends to help the students talk about definite and indefinite quantities, degrees of comparison, adverbs of frequency, etc.

36-40

Approaching the end of the course, the next five days focuses on polishing the student's language using various elements of learning.

41-45

Here, the students are made familiar to indefinite pronouns, more tenses such as continuous tenses, perfect tenses, yes-no questions etc. that will help them become fine English speakers.

46-50

The final five days of the programme continues to focus on the advanced tenses along with active and passive voices.

The students will be, along the above mentioned classes, able to talk to the trainers who will assist them in their English speaking ability.

You'll get:

After completing the final task and calling activities every student will be provided a Certificate of Course Completion by English Ladder.
